

General Guidelines (IT 352: Project)

It is mandatory to maintain the uniformity in the format of the Project Work (IT 352: Project) carried out by B.I.M. sixth semester students in different departments of several campuses under Faculty of Management, Tribhuvan University, Nepal.

The format of the Project Work included the following headings/items:

1. Title Page
2. Student's Declaration
3. Supervisor's Recommendation
4. Approval Sheet
5. Acknowledgements
6. Abstract
7. Table of Contents
8. List of Figures
9. List of Tables
10. List of Abbreviations
10. Introduction (Chapter I)
 - a. Background of the Project
 - b. Problem Statement
 - c. Objectives
 - d. Review of Related Work and Literature
 - e. Development Methodology
 - f. Scope and Limitations
 - g. Report Organization
11. System Development Process (Chapter II)
 - a. Analysis (Requirement Analysis, Feasibility Study, Structured / Object- Oriented Modelling)
 - b. Design (User Interface Design, Database Design / Object-oriented Design Models)
 - c. Implementation (Tools and Technologies Used, Module Description, Testing)
12. Conclusion and Recommendation (Chapter III)
 - a. Summary
 - b. Conclusion
 - c. Recommendation
13. References
14. Appendices

The details of these headings/items are given

(Sample format of cover page)

[TITLE OF THE PROJECT REPORT]

(Comment: Center, All caps, Bold, Font size 16)

BY

[FULL NAME OF THE STUDENT]

T.U. REGISTRATION No.....

SYMBOL No....

(Comment: Center, All caps, Bold, Font size 14)

Name of the Campus/College

(Comment: Center, All caps, Not Bold, Font size 14)

Sumit Ghising

A Project Report Submitted To

(Comment: Center, italic, not bold, Font size 14)

Faculty of Management, Tribhuvan University

(Comment: Center, bold, Font size 14)

in partial fulfillment of the requirements for the degree of

(Comment: Center, not bold, Font size 14)

Bachelor of Information Management(BIM)

(Comment: Center, bold, Font size 14)

Place

Month/Year

(Comment: Center, not bold, Font size 14)

STUDENT DECLARATION

(Comment: Center, All caps, Bold, Font size 16), (On plain paper)

This is to certify that I have completed the Project entitled “(title of the project) (**Title, bold faced letter**)” under the guidance of “(name of the guide)” in partial fulfillment of the requirements for the degree of Bachelor of Information Management at Faculty of Management, Tribhuvan University. This is my original work and I have not submitted it earlier elsewhere.

(Comment: Justify, Times New Roman, Font size 12, 1.15 line spacing)

Date:

Signature:

Name:

Sumit Ghising

Note: (The paper size should be A4 and the margins must be set as 1 inch for top, bottom, and right and 1.5 inch for left.)

CERTIFICATE FROM THE SUPERVISOR

(Comment: Center, All caps, Bold, Font size 16)

This is to certify that the project entitled “...(Title, bold faced letter)...” is an academic work done by “...(Name of student, bold faced letter)...” submitted in the partial fulfillment of the requirements for the degree of Bachelor of Information Management at Faculty of Management, Tribhuvan University under my guidance and supervision. To the best of my knowledge, the information presented by him/her in the project report has not been submitted earlier.

(Comment: Justify, Times New Roman, Font size 12, 1.15 line spacing)

Signature of the Supervisor
Name
Designation Date

APPROVAL SHEET

(Comment: Center, All caps, Bold, Font size 16)

This is to certify that the project titled [**Title of the Project**](**Title, bold faced letter**) submitted by [**Student Name**] (**Name, bold faced letter**) has been examined and approved .In our opinion, it meets the required scope and quality standards for a project submitted in partial fulfillment of the requirements for the degree of Bachelor of Information Management (BIM).

(Comment: Justify,Times New Roman, Font size 12, 1.15 line spacing)

Approval Panel: (Bold, Font size 12)

S.No.	Name	Designation	Signature
1	Supervisor Name	Project Supervisor	
2	Program Coordinator/Head Name	Program Coordinator	
3	Internal Examiner Name	Internal Examiner	
4	External Examiner Name	External Examiner	

Date of Defense:.....

Department: [Department Name]

Faculty: [Faculty Name]

LIST OF ABBREVIATIONS
(Comment: Center, All caps, Bold, Font size 16)

Text: (Times New Roman, Font size 12)

Examples:

BIM:	Bachelor of Information Management
CSS:	Cascading Style Sheet
HTML:	HyperText Markup Language
NCCS:	National College of Computer Studies

(Comment: Times New Roman, Font size 12, line spacing 1.5, arrange in alphabetical order)

Sumit Ghising

CHAPTER I:

(All caps, bold faced letter, Font size 16, Center)

INTRODUCTION

(All caps, bold letter, Font size 14, Center)

1.1 Background of the Project (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

1.2 Problem Statement (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

1.3 Objectives (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

- Must start with “To”
- Example:
 - To develop a web- based e-commerce platform for selling clothes using HTML, CSS, and the JavaScript framework React, with features such as product search, filtering, payment gateway integration, order tracking, and a responsive design for both desktop and mobile users.

1.4 Review of Related Work and Literature (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

Example:

The psychology principles can inform design decisions to create more engaging and user-friendly digital interfaces. The article dives deep into topics such as color psychology, cognitive psychology, and emotional design. By understanding how users think and feel, designers can make websites and apps that resonate with users on a deeper level, enhancing their overall experience. The article highlights the importance of incorporating psychological insights into design choices to create interfaces that captivate and satisfy users (Williams & Davis, 2021).

1.5 Development Methodology (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

Like: Waterfall, Incremental model, Iterative model with diagram and short description.

Note: Diagram should be made by student (Sample is given)

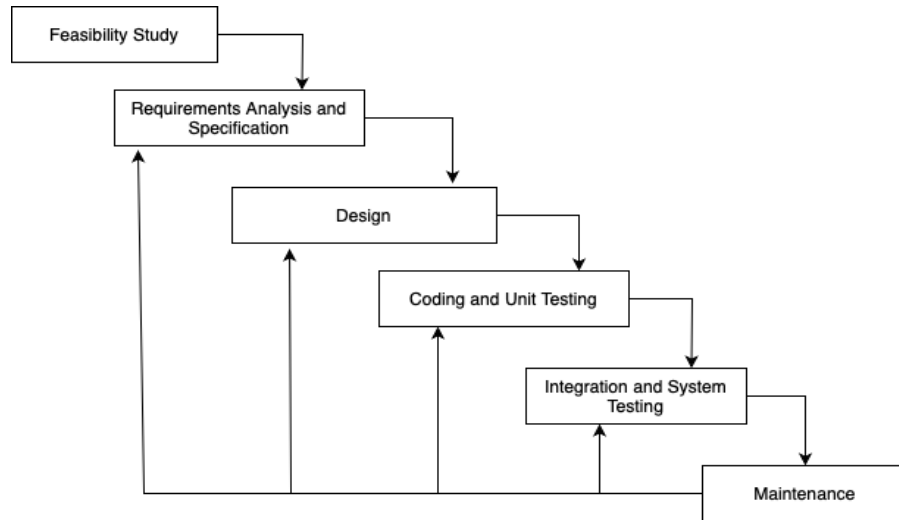

Figure 1.1(Bold,Times New Roman,Font Size: 12)(figure number : chapter number infix and figure number): Iterative Waterfall Model(not bold, Times New Roman, font size 12)

1.6 Scope and Limitations (Bold, Font size 12)

1.6.1 Scope: (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

1.6.2 Limitation: (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

1.7 Report Organization (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

Example:

Chapter I: Introduction

In this chapter, the project plan, its objectives and how it should perform to build a complete system is discussed. And it describes the scope and limitations of the project.

Chapter II: System Development Process

In this chapter, the functional and non-functional requirements for the project for developing the project is concluded.

ChapterIII: Conclusion and Recommendation

This chapter contains ideas about what is achieved at the end of the project and future possibilities for the system to make it more suitable, reliable and efficient.

Note : Font Type : Times New Roman, Font size 12, line spacing 1.15 spacing, Paragraph spacing 1.5, Paragraph Alignment must be justified

Sumit Ghising

CHAPTER II:

(All caps, bold faced letter, Font size 16, Center)

SYSTEM DEVELOPMENT PROCESS

(All caps, bold faced letter, Font size 14, Center)

2.1 Analysis (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

2.1.1 Requirement Analysis (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

i. Functional Requirement (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

Functional Requirement should be explained including Use-Case diagram

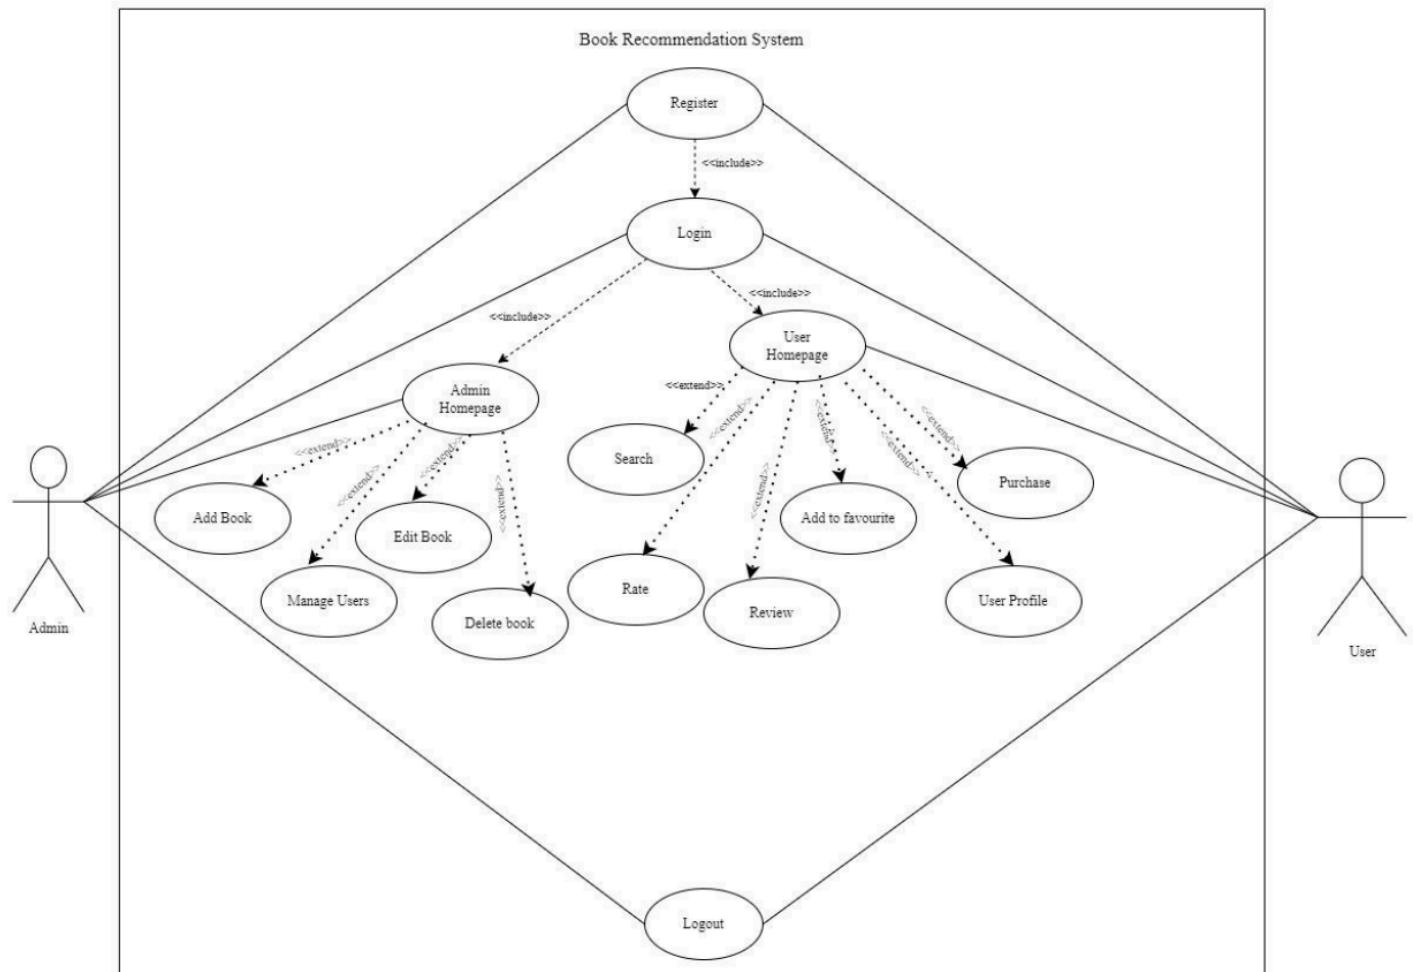

Figure 2.1(Bold,Times New Roman,Font Size: 12)(figure number : chapter number infix and figure number): Iterative Waterfall Model(not bold, Times New Roman, font size 12)

ii. **Non-Functional Requirement** (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

It should include those elements which collectively support the operations of your project.

Example:

- Performance: Ensure fast loading times and respond to user requests promptly to provide a smooth user experience.
- Availability: Aim for high uptime and quick recovery from failures to ensure continuous accessibility.
- Maintainability: Follow organized coding practices and provide comprehensive documentation for ease of updates.

2.1.2 Feasibility Study (Bold, Font size 12)

i. **Technical** (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

ii. **Operational** (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

iii. **Economic** (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

iv. **Schedule** (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

It must include the timeline of your project in the form of a Gantt chart.

Remember Before creating the Gantt Chart, identify the development methodology you're using and inline gantt chart with that.

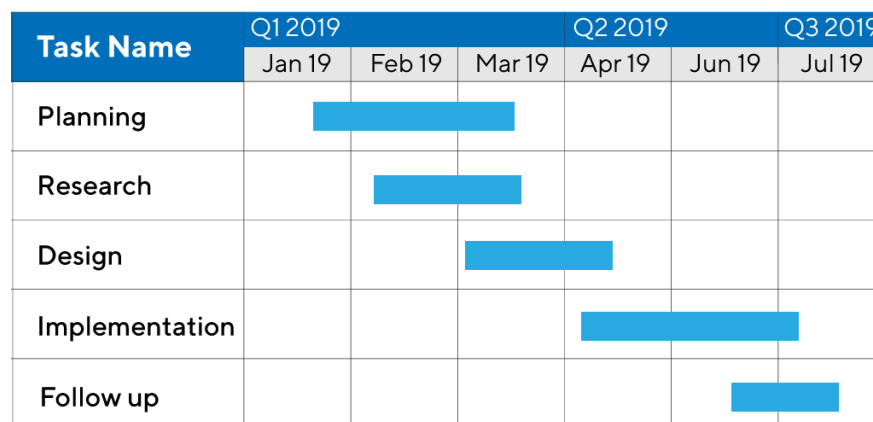

Figure 2.2:Gantt Chart

2.1.3 System Modelling (May be Structured or Object- Oriented) (Bold, Font size 12)

If structured approach:

- **Data modelling using ER Diagrams** (Bold, Font size 12)
(Text: Times New Roman, Font size 12, not bold, Justified)
- **Process modelling using DFD** (Bold, Font size 12)
(Text: Times New Roman, Font size 12, not bold, Justified)

If object oriented approach:

- **Object modelling using Class and Object Diagrams** (Bold, Font size 12)
(Text: Times New Roman, Font size 12, not bold, Justified)
- **Dynamic modelling using State and Sequence Diagrams**
(Text: Times New Roman, Font size 12, not bold, Justified)
- **Process modelling using Activity Diagrams** (Bold, Font size 12)
(Text: Times New Roman, Font size 12, not bold, Justified)

2.2 System Design (May be Structured or Object Oriented as per the approach followed in analysis) (Bold, Font size 12)

If structured approach:

2.2.1 Interface and Dialogue Design (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

Note: Include High fidelity design of your system

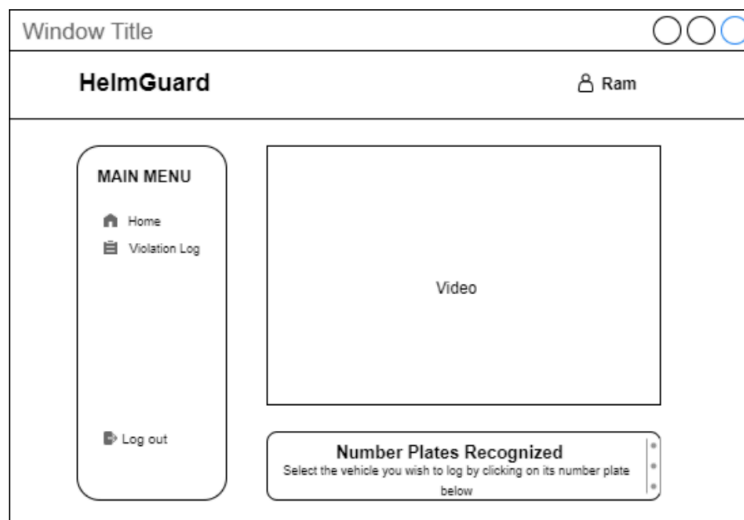

Figure 2.3: Home Page of

2.2.2 Database Design: Transformation of ER to relations and normalizations

(Text: Times New Roman, Font size 12, not bold, Justified)

If object oriented approach:

2.2.1 Refinement of Classes and Object (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

2.2.2 Component Diagram (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

2.2.3 Deployment Diagram (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

2.3 Implementation

2.3.1 Tools used (CASE tools, programming languages, database platforms) (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

2.3.2 Implementation details of modules (description of procedures/ functions/ classes/ methods) (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

Note: In this part explain different important modules of your system with source code(include only functions that provide output) and output of that source code.

2.3.3 Testing (Bold, Font size 12)

- **Test cases for Unit Testing** (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

Note: In case of Table table name and number should be above the table

Example:

Table 2.1:Test Case for User Login

Objective	To access user to the system
Expected Result	Login successful with credentials
Actual Result	Successfully logged in with credentials
Conclusion	The test was successful

- **Test cases for System Testing** (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

CHAPTER III

(All caps, bold faced letter, Font size 16)

CONCLUSION AND RECOMMENDATION

(All caps, bold faced letter, Font size 14, Center)

3.1 Summary (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

3.2 Conclusion (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

3.3 Recommendation (Bold, Font size 12)

(Text: Times New Roman, Font size 12, not bold, Justified)

Sumit Ghising

Note : Font Type : Times New Roman, Font size 12, line spacing 1.15 spacing, Paragraph spacing 1.5, Paragraph Alignment must be justified

REFERENCE

(All caps, bold faced letter, Font size 16)

Note: For References APA 7th format should be followed.

Example

- **In Case of Book**(*Book name should be italicized*)

Format:

Author, A. A. (Year). *Title of the book* (Edition if not 1st). Publisher.

Example :

Tanenbaum, A. S., & Wetherall, D. J. (2011). *Computer networks* (5th ed.). Pearson Education.

- **In Case of Article** (*title of journal and volume should be italicized*)

Format:

Author, A. A., & Author, B. B. (Year). Title of the article. *Title of the Journal, Volume (Issue)*, page range. <https://doi.org/xxx>

Example :

Wang, Y., & Yu, C. (2020). A deep learning approach for network intrusion detection. *IEEE Access*, 8, 29522–29533.
<https://doi.org/10.1109/ACCESS.2020.2971590>

Sample: Williams, R., & Davis, S. (2021). The psychology of user experience: Applying psychological principles to enhance design. *International Journal of Human Computer Interaction*, 37(7), 601-618.

- **In Case of Website**(*Title of page should be italicized*)

Format:

Author or Organization. (Year, Month, Day). *Title of page*. Website Name. URL

Example :

Microsoft. (2024, February 10). *What is cloud computing?* Microsoft Azure.
<https://azure.microsoft.com/en-us/resources/cloud-computing-dictionary/what-is-cloud-computing/>

APPENDIX

(All caps, bold faced letter, Font size 16)

Sumit Ghising
